Before you change your name

- ☐ I have written two or three name ideas below, with the symbols I want.
- ☐ I counted every letter, symbol and space (one per box).
- ☐ I checked my vault for a Name Change Card before spending diamonds.
- ☐ I checked the price on the rename screen.
- ☐ I tested the name in the rename box, and it looks right.
- ☐ I have a backup name in case my first choice is taken.

My name ideas: one character per box
