	**Shade blocks**	`U+2591 U+2592 U+2593`	A glowing fade on each side of a name

Tips

- Use one frame pair and keep your real name easy to read.
- Every symbol counts towards a game's name limit, and some count as two.
- If a symbol shows as a box, choose a common one such as ★, ♛ or ♡.
- Religious signs are sacred to many people, so use them with care.
